⁽¹⁾ The demand for interfaces to this payroll is very low. To ensure we have the most recent integration requirements for this product, please send the client's payroll import specifications to IDI Reseller Services (sales@timebank.com). It is very helpful to have the name and number of a vendor technical contact in case we have questions. Upon receipt of the import specifications, IDI will determine feasibility and pricing.

⁽²⁾ The complexity of integration with this payroll requires custom configuration. Please contact IDI Reseller Services (sales@timebank.com or 866.846.3226) to discuss feasibility and pricing.
